

## SHARC 2007 Net Control Script – Updated on 10/03/2007

\_\_\_ **CQ CQ CQ** calling all amateur radio operators. This is **WA2STL**. My name is CARL. I am located in **Homosassa** and will be calling the Sky High Amateur Radio Club Net this evening.

\_\_\_ This Net meets every **Tuesday** evening at **7:30 PM** Local Time using the **SHARC** Repeater with a frequency of **146 dot 955 MHz** with a **PL Tone of 103.5 Hz** and a call sign of **W 4 I I R**. All amateur radio stations are welcome to check into the Net.

\_\_\_ This is a **DIRECTED NET**. Please direct all calls and comments to Net Control.

\_\_\_ The purpose of this net is to handle club business, share ideas, and discuss topics of interest to our **SHARC** members and the amateur radio community in the Citrus County area.

\_\_\_ You need not be a member of the Sky High Amateur Radio Club nor a member of Amateur Radio Relay League to participate. Those desiring to participate are asked to use proper identification procedures.

\_\_\_ This Net may be broken for **EMERGENCY** or **PRIORITY** traffic at any time. Please use **DOUBLE BREAK** and the Net Controller will handle your traffic. Is there any **EMERGENCY** or **PRIORITY** traffic at this time? If so, please come now. **(Pause for 5 seconds)**.

\_\_\_ In the event of a Repeater Problem this Net will be conducted on the **SIMPLEX** Frequency of **146 dot 480 MHz**.
